

CEASE's 30th Anniversary Celebration

CEASE provided a rich display of historical Materials for attendees of the seminar and following Anniversary Celebration to peruse. A series of binders were prepared in commemoration of CEASE's thirtieth birthday, containing materials including pictures, in chronological order, recording CEASE's activities over its first thirty years. These binders will be available for perusal at future CEASE events at NAEYC, or on request by historians.

The Schirmer family, Danielle, Maria, Audrey and Eleni launched the celebration with a rousing rendition of "Happy Birthday CEASE!"

Many like-minded guests enjoyed refreshments and conversation as we shared memories about the past 30 years and made plans for our continued work to make the world a safe place for children.
